SavvyMoney

Credit Monitoring available for customers through Online and Mobile Banking.

Knowledge is power. Know more than your credit score.

At Atlantic Union Bank, we think it's important that you know what's going on with your finances. With SavvyMoney (available in online banking and our mobile app), we give you the tools to not only monitor your credit score, but to also keep track of your financial footprint and help protect yourself from fraud.

Giving you what you need to know with a full TransUnion® credit report, on-demand:

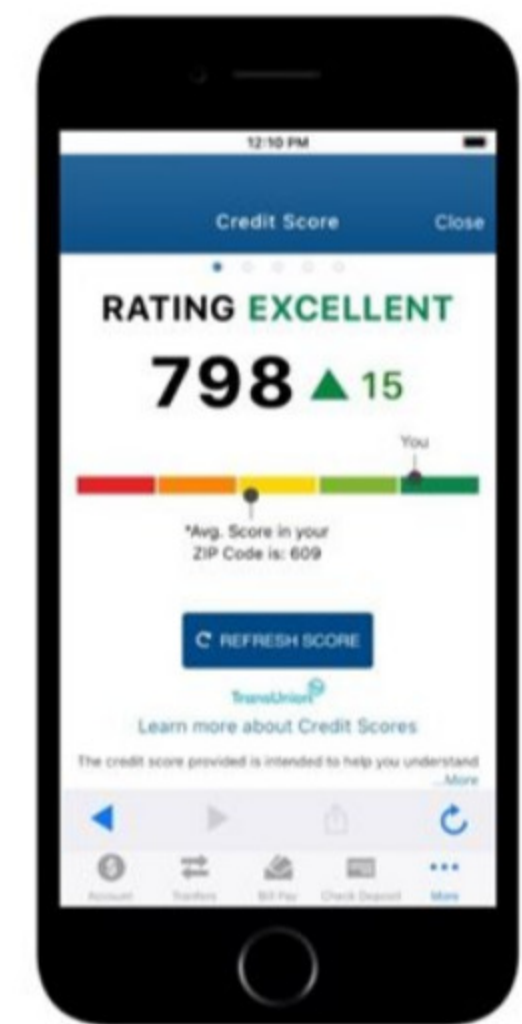

- 1 View complete credit history with all of your accounts available
- 2 Track your credit over time
- 3 Get notified about credit changes
- 4 Monitor activity to help protect against fraud

Knowing where your credit history stands is an important step towards becoming savvy with your finances. When you need a mortgage, car loan, home equity loan, etc., you need to be in the know about your financial history.

- 1 Have you stayed current on mortgage and utility payments?
- 2 Is there erroneous information in your history?
- 3 Have you been a victim of ID theft without realizing?

Don't let the unknown sneak up on you. Stay informed with SavvyMoney and let us help you live a savvy financial life.

Enroll today in SavvyMoney through [Online Banking](#) or our [Mobile App](#).
