

## Merchant Services

Give your customers the flexibility to make purchases however they choose

[LET'S TALK BUSINESS](#) [LEARN MORE](#)

### Tools for businesses of any size and type.

 Give customers more ways to pay

 Fast, secure payment processing

 Simple, flexible, and affordable solutions

Keeping up with day-to-day operations and providing exceptional customer experiences is crucial to your long-term success. The easier it is to do this, the more time you have to focus on growing your business. So, we've partnered with Heartland® to give you access to fast, secure and simple payment solutions.

-  **Take payments anywhere:** Online, restaurant, retail, and on the go
-  **Accept any major method of payment:** Cash, check, credit, debit and gift cards, chip card and digital wallet
-  **Get paid even faster:** Next-day funding available\*
-  **Heartland Secure™:** Combines three powerful technologies to provide the industry's highest level of security for your business, backed up by a Breach Warranty
-  **PCI compliant:** Minimize the risk of credit card fraud to provide you and your customers peace of mind

More Merchant Services information is available online from our partner, Heartland.

Services provided through our business partner, Heartland Payment Systems. \*Merchants on certain processing programs are not eligible for next-day funding; funding may be delayed by Heartland Payment Systems Credit or Risk departments at any time.
